Rosie the Riveter

Rosie the Riveter, Mae Krier, joined Tina Davis during the May 26th Penndel-Hulmeville Memorial Day Parade. If you had the pleasure of talking with Mae, you would quickly learn that her patriotism is one to be highly commended. In 1943 at just 17 years of age, she left her home in North Dakota and went to work at the Boeing Company, an aircraft factory that operated in Seattle, Washington. She worked on riveting and constructing B-17's and B-29's. The job force was quite thin during war-time: "although the men went to war in the trenches, we (women) went to war in the aircraft factories and in the shipyards. We all did whatever had to be done in order to win the war". Mae has been advocating for a national day to honor the women who helped during the war since the 1980's. She is also working to get civilian recognition with the opportunity of receiving a congressional medal. Check out her story: www.facebook.com/mae.krier

Local Girl Scout is working on her Gold Award

Local Girl Scout Troop 297, troop leader Diane Laurence, has a member that is working on achieving her Girl Scout Gold Award. Jillian Marshall is currently working on the highest achievement a Girl Scout can earn. Part of her project consists of installing bat houses in the Hulmeville area, especially along the Neshaminy Creek. The population of the long-eared brown bat is now considered threatened in Bucks County, and these bats eat around 1,000 mosquitoes per night! Installation relies on members of the community allowing her and her team to put some of them on resident property.

If you would be interested in helping her on her achievement by allowing them to install a bat house on your property, please contact Jillian at troop297cookies@gmail.com

Stormwater Management

You Can be the Solution to Stormwater Pollution

Polluted stormwater runoff is the greatest threat to clean water. Practice these healthy household habits and you will be the solution to stormwater pollution.

1. Keep your nearest storm drains clear of debris and litter.
2. Never dump anything down a storm drain.

2018 Earth Day Event at Core Creek Park

The event was another great success! We hope that you're able to attend next year's event; the last Saturday in April.

Congratulations to Hulmeville Borough's second Junior Council Person:

Sarah Omietanski will continue with her second term with Hulmeville Borough Council. Sarah is a Junior at Neshaminy High School and knows that serving as a JCP will help to give teens a voice in our community and hopes to inspire her classmates to become involved in their communities.
